Using mobile phones/devices during activities

- advise parents that it may not be possible to contact children during activities and provide a contact within the club or organisation who will be reachable should there be an emergency

Photography

- We always ask for consent from a child and their parents or carers before taking and using a child's image
- If consent is withdrawn, taking reasonable steps to remove the photos of the child from public view. It may not be possible to delete or destroy all images that have been disseminated online (such as via social media) or in hard copy.
- We only use first names of children, unless:
 - it's considered necessary – such as for elite /high profile child players
 - it's in the child's best interests
 - the child and parent have consented (and been informed how, where, in what context an image might be used, e.g. public website, or through social media, and are aware of potential risks)
- We never publish personal information about children
- We make sure children, their parents and carers understand how images will be securely stored and for how long (including how we will control access to the images and their associated information)
- We reduce the risk of images being copied and used inappropriately by:
 - only using images of children in appropriate clothing
 - avoid images and camera angles that may be more prone to misinterpretation or misuse than others
 - avoiding full face and body shots of children taking part in activities such as swimming where there may be a heightened risk of images being misused
- We only use images that positively reflect children's involvement in the activity
- If any Member becomes concerned that someone unknown to them is taking photography or filming without permission, they should ask them to leave and (depending on the nature of the concerns) follow our safeguarding procedures.

- Where inappropriate images/films are being taken that raise a safeguarding concern, this should be reported to the club Welfare Officer and LTA Safeguarding Team. It may also be necessary to report this to the police.
